

ERZÄHLER:INNEN OHNE GRENZEN

proudly presents

Spanning seven years, MY SO-CALLED ENEMY follows six Palestinian and Israeli teenage girls committed to justice and mutual understanding after participating in a cross-cultural women's leadership program called Building Bridges for Peace. This heart and mind-opening film, from Emmy® Award-winning director Lisa Gossels (THE CHILDREN OF CHABANNES), documents how the young women's transformative experience of knowing their "enemies" as human beings in the United States meets with the realities of their lives back home in the Middle East.

Lisa Gossels, director:

„I can't say that we will see peace in the Middle East or in the world in our lifetimes. But, as I stand on the shoulders of the courageous and intelligent young women in "My So-Called Enemy," I owe it to them to remain hopeful.“
